

Dear Confirmation Candidates, Parents and Sponsors,

I am excited for my second year of Confirmation as Youth Minister at OLL! Today's modern world of technology and busyness pulls at our attention. Young people in particular are subjected to many influences and dynamisms that squeeze on their focus and time. It is singularly important to remember that for us to be happy we must invest toward developing strong and real relationships, especially with God and within the Church. Our time and attention must be directed to conversation with God along with our other commitments. To be happiest we are called to respond in worship, in other words, to give Him worth before anything else. We long for God, to be part of God's family, to thrive in our own respective family unit, as well as other community families like our sports teams and clubs. This Confirmation group is an opportunity to grow and become another form of family. I am excited to pray for these teens in this discernment and formation for Confirmation, the gift of the Holy Spirit. Confirmation is about deciding, "Yes this is my true family of faith and I want to learn, lead, and make my mark in the Church and in the world."

God's abundant blessings!

Aaron Myler

PARENT INVOLVEMENT

The purpose of parental involvement in this process is for spiritual guidance and for the growth of families at this Parish. The Family is the Smallest Church where we grow most in our faith and prayer lives. This is the plan that God reveals to us!

- Ensure your student completes the guidelines in a timely matter.
- Participate in a four-week session led by a parent.
 - These sessions will feature “alpha” videos, an incredible program centered on Jesus, discussion topics, and spiritual reflection.
 - The four-week session will coincide with the Retream Team meetings for the day retreat that your student will be hosting, Sunday afternoons from 1:45-3:15pm. They and you will only do this one of the two semesters, specifically the semester your child is on their 2nd retreat.
 - The dates can be found on the confirmation calendar.

There are several activities that need to be completed in preparation for receiving the sacrament of Confirmation. If you choose not to participate, you will need to wait until the following year to complete the program. Students must make Confirmation a priority in order to receive the sacrament from the Bishop on May 29th. Facebook, Instagram, and email are good forms of communications that I hope to use with parents. My cell is 734-474-5854 if you ever need anything. You may have to leave a voicemail if calling for the first time as I often receive spam calls.

CONFIRMATION CANDIDATE REQUIREMENTS 2019-2020

The purpose of these requirements is for the candidates to develop a deeper relationship with God and His Church. If these items are completed before the upcoming Confirmation, **May 29th, 2019** then the candidate will be confirmed. If not, they can be included in the following 2020-2021 program. This is the last Sacrament of Initiation that sets up the rest of the entirety of the young person’s life. For the sake of the Confirmation Candidates, this will not need to be rushed to completion. Thank you for all your prayers and support for our Youth as they prepare to receive the seal and gifts of the Holy Spirit.

SAINT ESSAY INFORMATION: WHY I CHOSE YOU

Why do we pick a Confirmation Saint?

The stories of saints are the stories of God taking an ordinary person like your or me and transforming them into something remarkable. The saints chose to live extraordinary holy moments that we can draw inspiration from. Their stories are reminders of God's goodness. By seeing their witness we can try to do what they did, respond to God's grace to become closer in relationship with Christ. Also we can relate to the personality of the saint that we choose to learn more about, and to their struggles, to their victories, and we should ask them to journey with us. God is inclusive in His mission of Salvation, allowing us to bring others close to Him through prayer and witness. The saints who have already made it to Heaven can do the same, as "God is God of the living." This is why we choose a Confirmation saint, because they are relatable and point us to God and can help us get to Him.

CONFIRMATION SERVICE HOURS GUIDELINES

Candidates must complete **20 service hours** during their confirmation year, which includes past service hours after June 1st 2020. The student is responsible for turning in Service Forms performed on an ongoing basis to the Director or Youth Ministry, Aaron Myler, to fulfill requirements before confirmation. Service Forms can be found on the parish website, print before attending your service project.

One of the most beautiful ways we can serve is by giving kindness to someone who is not expecting it. What are some service opportunities that present an exciting opportunity or a challenge to you? Hunger, loneliness, not enough clothing in the form of old clothes or shoes, lack of knowledge, are some disadvantages that could be ministered to. Service in a church ministry or at Mass is also strongly encouraged in hopes that the candidate will continue in this participation of service when they find meaning and enjoyment in it.

Parent and Sponsor participation in the service hours is greatly encouraged to show the candidates that we as Catholics don't do this for 'credit', but instead as part of the mission Christ set before us. We hope that the Candidates choose something of interest to them that fits their strengths and continue serving after Confirmation.
